

Made in Japan 25 ton used Caterpillar cat 325D excavator for sale

Our Product Introduction

for more products please visit us on used-crawlerexcavator.com

Basic Information

- Place of Origin: United States
- Brand Name: Cat
- Model Number: 325D
- Price: \$32,000.00/units 1-3 units

Product Specification

- Showroom Location: None
- Operating Weight: 29 Ton
- Bucket Capacity: 1.3 M³
- Machine Weight: 29000 KG
- Hydraulic Cylinder Brand: ORIGINAL
- Hydraulic Pump Brand: ORIGINAL
- Hydraulic Valve Brand: ORIGINAL
- Engine Brand: CAT
- Power: 152 KW
- Machinery Test Report: Provided
- Video Outgoing-inspection: Provided
- Core Components: Pressure Vessel, Motor, Bearing, Gear, Pump, Gearbox, Engine, PLC
- Year: 2020
- Working Hours: 2707

Product Description

Features of Made in Japan 25 ton used Caterpillar cat 325D excavator for sale

1. This used cat excavator is in very good condition. And all main parts are original.
2. The Cat engine has high reliability, strong power, and fuel efficiency.
3. Versatile in use, it can be used for many different works.
4. Cat excavators have reliable and robust performance, long lifespan, low failure rate, and strong performance.

Shipping methods of Made in Japan 25 ton used Caterpillar cat 325D excavator for sale

1. Bulk cargo vessel.

The used cat excavator will be put on the deck of bulk cargo vessel directly. This shipping way is cheaper, but needs longer time.

2. Flat rack.

The used cat excavator will be put in a flat rack, then load on container vessel. This shipping way is expensive, but needs short time.

3. Container.

The used cat excavator can be dismantled and put in a 40HQ. But the buyer needs to assemble after getting the container.

4. Ro-ro vessel.

This transportation method used to be frequently used, but due to the surge in China's new energy vehicle exports, most roll on/roll off ships have been leased by new energy vehicle manufacturers.
