Basic Information

- Place of Origin: South Korea
- Price: \$25,000.00/units 1-3 units

Product Specification

- Machine Weight: 22000 KG
- Condition: Good Health
- Hydraulic Pump Brand: Original
- Hydraulic Valve Brand: Original
- Hydraulic Cylinder Brand: Original
- Core Components: Pressure Vessel, Motor, Bearing, Gear, Pump, Gearbox, Engine, PLC
- Working Hours: 825
- Engine Brand: Cummins
- Highlight: **2021 Used Hyundai Excavator,
Used Hyundai Excavator With Hydraulic Pump,
Original Used Hyundai Excavator**

Product Description

Product Description:

Our Used Hyundai Excavator has undergone a thorough video outgoing-inspection and comes with core components such as Pressure Vessel, Motor, Bearing, Gear, Pump, Gearbox, Engine, and PLC. You can trust that this excavator is up to the task and can handle even the toughest jobs.

Made in Korea, our Second-hand Hyundai Digger is built to last and will provide you with many years of reliable service. Whether you need it for digging, demolition, or any other construction project, our used Hyundai Excavator will get the job done.

Don't settle for less when it comes to your construction equipment. Choose our Second-hand Hyundai Digger and get the performance and reliability you need at a price you can afford. Contact us today to learn more and place your order!

Features:

Product Name: Used Hyundai Excavator

Condition: Good Health

Operating Weight: 22570 KG

Bucket Capacity: 1.02m³

Machinery Test Report: Provided

Video Outgoing-inspection: Provided

Keywords: Used Hyundai Digger, Second-hand Hyundai Excavator, Second-hand Hyundai Digger

Technical Parameters:

Moving Type	Crawler Chain
Year	2021
Operating Weight	22570 KG
Engine Brand	Cummins
Hydraulic Valve Brand	Original
Power	112 KW
Video Outgoing-inspection	Provided
Product Name	Original Used crawler Hyundai 220LC-9S Hydraulic Excavator 22 Ton made In Korea
Machine Weight	22000 KG
Product Category	Used Hyundai Excavator

Applications:

The original hydraulic cylinder brand and hydraulic valve brand ensure superior performance and durability. The moving type of this excavator is a crawler chain, which is ideal for working on rough terrain and uneven surfaces, providing stability and balance. The video outgoing-inspection is provided, ensuring that the equipment is thoroughly checked before being sold.

This used Hyundai excavator is suitable for a wide range of applications and scenarios. It can be used in the construction industry for digging foundations, trenches, and holes. It is also useful for demolition work, mining, and excavation of large-scale projects. Additionally, it can be used in landscaping, agricultural, and forestry work.

The machinery test report is provided, giving assurance that the excavator has been tested and inspected for any defects or issues. It is a reliable and efficient machine that can help increase productivity and reduce manual labor. With its powerful engine and advanced hydraulic system, it can handle heavy-duty workloads with ease.

Overall, the remanufactured Hyundai Excavator is a cost-effective and reliable option for those in need of digging equipment. With its original hydraulic cylinder and valve brand, crawler chain moving type, and machinery test report, it is a great investment for any construction or excavation project.

Support and Services:

- Comprehensive inspection and testing of all components
- Repairs and replacement of any faulty parts
- Routine maintenance and servicing
- Technical assistance and troubleshooting
- Operator training and support
- Extended warranty options

Our team of experienced technicians and engineers are dedicated to ensuring that your Used Hyundai Excavator operates at peak performance levels. We are committed to providing you with the highest level of customer service and support.

Packing and Shipping:

Product Packaging:

The used Hyundai excavator will be securely packaged in a wooden crate to prevent any damage during transportation.

All loose parts and attachments will be properly secured and labeled for easy assembly.

The crate will be labeled with the product information, weight, and handling instructions.

Shipping:

The used Hyundai excavator will be shipped via a reputable carrier to ensure timely and safe delivery.

The carrier will provide a tracking number for easy monitoring of the shipment.

The delivery address will be confirmed prior to shipment to ensure accuracy.

The customer will be notified via email or phone once the shipment has been dispatched.

FAQ:
