Good Health Used Hyundai Excavator With Original Hydraulic Valve And Cylinder

Our Product Introduction

more products please visit us on used-crawlerexcavator.com

Basic Information

- Place of Origin: South Korea
- Price: \$25,000.00/units 1-3 units

Product Specification

- Working Hours: 825
- Operating Weight: 22570 KG
- Hydraulic Valve Brand: Original
- Bucket Capacity: 1.02m³
- Machinery Test Report: Provided
- Engine Brand: Cummins
- Power: 112 KW
- Product Category: Used Hyundai Excavator
- Highlight: **Good Health Used Hyundai Excavator, Original Hydraulic Valve Used Hyundai Excavator, Original Cylinder Used Hyundai Excavator**

Product Description

Product Description:

Features:

Product Name: Used Hyundai Excavator
Condition: Good Health
Bucket Capacity: 1.02m³
Machine Weight: 22000 KG
Working Hours: 825
Power: 112 KW

Technical Parameters:

Machine Weight	22000 KG
Core Components	Pressure Vessel, Motor, Bearing, Gear, Pump, Gearbox, Engine, PLC
Engine Brand	Cummins
Working Hours	825
Hydraulic Valve Brand	Original
Bucket Capacity	1.02m ³
Condition	Good Health
Year	2021
Hydraulic Pump Brand	Original
Power	112 KW

Applications:

With a price tag of \$25,000.00 for units 1-3, you can save a significant amount of money without sacrificing quality. Our excavators have been rigorously inspected and are in good health, ensuring that they are ready to tackle any job site.

Our used Hyundai excavators have a working hour capacity of 825, meaning that they have plenty of life left and are ready to work for you. Their bucket capacity of 1.02m³ and operating weight of 22570 KG make them versatile and able to handle a wide range of excavation tasks.

Equipped with a Cummins engine, our second-hand Hyundai excavators are reliable and efficient. Whether you are working on a construction site, a mining operation, or any other excavation project, our excavators are up to the task.

Investing in a used Hyundai excavator is a smart choice for any business looking to save money without sacrificing quality. Our excavators are rugged, reliable, and built to last. Contact us today to learn more about our inventory and find the perfect excavator for your needs.

Support and Services:

The Used Hyundai Excavator product comes with the following technical support and services:

- Detailed product specifications and manuals for easy reference
- One-year limited warranty for parts and labor
- Expert technical support available via phone or email
- On-site repair services available upon request
- Scheduled maintenance services to ensure optimal performance and longevity of the excavator
- Access to genuine Hyundai parts and accessories for replacements or upgrades

Packing and Shipping:

Product: Used Hyundai Excavator

Description: A second-hand excavator from the reputable brand Hyundai. This machine has been serviced and maintained regularly, ensuring quality performance and longevity.

Packaging: The excavator will be wrapped securely in a protective film to prevent any scratches or damage during transport. It will then be loaded onto a flatbed truck and transported to the designated location.

Shipping: Shipping will be arranged by the buyer and the cost will be their responsibility. The seller can provide recommendations for reliable and affordable shipping companies upon request.
