Company Profile

Shanghai Kaishu Machinery Equipment Co., Ltd was established in 2017, with our own factory covering 67,000 square meters and 200 employees. As a leading used excavator supplier in China, we maintain a large inventory of construction machinery. Our team includes purchasing specialists, technical support, vehicle-parts supply, foreign trade sales, and quality testing professionals.

Our product range includes: used excavators, loaders, graders, bulldozers, forklifts, cranes, and other construction machinery. Our equipment originates from China, the United States, Japan, South Korea and other manufacturing countries, with quality assurance as our hallmark. We have extensive export experience serving markets worldwide.

To ensure excellent service, we maintain 3,000 units of construction machinery in stock year-round, with delivery within 7-30 days after payment. Our team provides 24/7 support to build long-term business relationships.

Frequently Asked Questions

What's your payment terms and trade terms?

Generally 50% deposit and 50% balance before shipping. We can negotiate based on order size. Accepted terms: EXW, FOB, CRF, and CIF.

How to ship the excavators?

Container: Most economical option, though some machines may require disassembly

Bulk cargo ship: Ideal for larger equipment, ships as-is

Flat rack ship: Suitable for large machines without disassembly

RO RO ship: Fastest option for all machine sizes

Is it convenient to visit you?
